

HB 1126 -- ANNEXATION ELECTIONS (Dugger)

COMMITTEE OF ORIGIN: Committee on Elections

This bill changes the time limitation for a second vote on the annexation of unincorporated areas by certain charter cities, towns, and villages not in first class counties. Currently, if a majority of voters in the municipality and the territory to be annexed fail to approve an annexation, then a second vote that requires a two-thirds majority in both the municipality and area to be annexed is held within 120 days of the first vote. This bill changes the time limitation from 120 days to 160 days.
